Nebraska Hunting Company has everything you need to plan your next outdoor adventure in beautiful Nebraska.

We hunt out of a heated pit blind and ground blinds that overlook ponds and flooded fields. We use an extremely effective custom designed electronic calling system and cd's with more than 2000 decoys to bring the geese within gun range. Our decoy spread consists of full bodies, shells, floaters, silhouettes, northwinds, and silosocks, and the snow geese are usually interested. Our clients have taken 1000's of birds.

Nebraska Hunting Company creates the opportunity to build lifetime memories for your friends, your family *and you*.

There's no need to look elsewhere!

GOT GUNS? GOT URGE? GOT BIRDS!
